Press Conference

PARTNERSHIP FOR MWS

The summit invites vital partnerships across the sector, particularly corporate partnerships, many of which will shape the way Maharashtra values water now and in the future.

Attracting and featuring water sector think tanks, thought leaders, municipalities and larger companies and problem solvers, the Maharashtra Water Summit allows you to connect with hard-to-reach leaders and insiders that will not attend any other water forum.

CONNECT

If you would like to become a Partner and Sponsor of the summit, contact us at biz@indiacr.in, or Rusen Kumar at 9981099555, for more information.

THE INDIA CSR

The India CSR, a decade-old pioneering media company, provides strategic direction to the development of socially inclusive and holistic CSR practices by providing a platform to various stakeholders so that they can share their experiences, learn, exchange ideas and support partnerships that add value to the business and not-for-profit world. Established in 2009, is the largest and oldest CSR media organisation in India.

A non-government, not-for-profit organisation, India CSR is the voice of India's business and industry for CSR, Sustainability, EHS and ESG. From influencing policy to encouraging debate, and engaging with policymakers and civil society, India CSR articulates the views and concerns of Responsible Business in India.

It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states. The India CSR provides a platform for networking and consensus building within and across sectors and is the first port of call for Indian industry, policymakers, and the international business community for CSR, Sustainability, and ESG.

Our Beliefs:

Inclusion:
Respecting Individuals

Integrity:
Honoring Truth

Excellence:
Focusing on Results

Responsibility:
Our Commitment

Collaboration:
Building Trust
